WHAT'S THE MUSEUM OF AI?

Prepping for the Human+AI future.

TELLING THE AI STORY

Experiential programs about AI's role in daily work and life:

❖ Nurture public understanding of AI capabilities and limitations

❖ Explore the **Human+AI** hybrid

❖ Lead industry & government professionals through **meaningful AI examples**

BEST OF BOTH WORLDS

Must-have experiential

+ Must-have AI knowledge

= Strong attendance, lasting impacts

People see, touch, experience AI to better understand, accept, sponsor, and adopt it.

SO MANY BENEFITS

Stay on trend *and* on brand.

Grab attention: Generate buzz and attract new talent.

AI success? Yes! Bring use cases to life.

Strengthen your **AI ecosystem: Nurture trust** in AI capabilities/limitations.
